DATO NILS GORAN NORDH

CEO & Chairman WGC Ltd

Hello everybody, apa khabar!

Welcome participants to Malaysia! I am very delighted to see you compete in the 26th series of the World Amateur Golfers Championship (WAGC). Kuala Lumpur, as the Malaysian capital, is one of the great cities of Asia, famous for its tourist spots, nightlife, food and diverse cultural festivals. I am confident you will enjoy everything that this historical city has to offer.

This year you will be housed at the One World Hotel which lies adjacent to one of the busiest shopping malls in the country. I dare state that all participants will be spoilt, as far as the golf is concerned, with the four competition venues being Kelab Rahman Putra, Glenmarie GCC, Kota Permai GCC and Kuala Lumpur GCC. Kota Permai and KLGCC are award-winning institutions and have hosted such world-class events as the PGA Tour's CIMB Classic, the Sime Darby LPGA Championship, the Malaysian Open as well as the World Cup Qualifying round. Rahman Putra is a great test of golf and was actually designed by the former Deputy Prime Minister of Malaysia, Tun Ghafar Baba. Glenmarie was the host of the EurAsia Cup – a Ryder Cup styled annual event between Asia and Europe professionals.

I want to thank all our sponsors, in particular PERODUA who have been our loyal title sponsors. We certainly look forward to working with them for many years to come.

The WAGC is an important event on the sporting calendar whereby amateur golfers of all levels get the opportunity to compete in a global championship. More importantly, this great event brings together golfers from all corners of the world and allows for long lasting friendships and business relationships. I have had the honor of being the Chairman of this worldwide tournament created by my longtime friend, the late Sven Tumba, a Swedish icon in ice-hockey, soccer, water-skiing and golf, of course.

It is indeed a privilege for me to play the role as golf ambassador to all the participating countries and I sincerely wish that everyone will go home with positive memories of this Final and continue to support this amazing event.

I applaud WAGC President Isaac Saminathan and his team for all their efforts in successfully raising the World Amateur Golfers Championship to the incredible level that it is now enjoying.

On behalf of WAGC Ltd and our entire team, I wish you good health and the best of luck over the next six days.

All the best and keep on swinging.

Datuk Nils G. Nordh

ISAC SAMINATHAN

President - World Amateur Golfers Championship

Selamat datang and welcome to Kuala Lumpur!

On behalf of the World Amateur Golfers Championship, we are delighted to have you here to celebrate 26 years of this prestigious world amateur golf tournament.

Kuala Lumpur as the Malaysian capital, is truly one of the great cities of Asia. It has everything to offer, from world-class restaurants, fantastic shopping malls and gateways to fabulous attractions like Genting Highlands, Sunway Lagoon, Batu Caves and much more.

It is very heart-warming and gratifying to see such an incredible response from participating countries especially after the two years of pandemic that affected this championship in 2020 and 2021. Our last Final was in Kota Kinabalu, Sabah in 2019 and some of you here who competed there, will realise that we didn't lose anything over the last two years. In actual fact, we have grown from strength to strength thanks to the undying efforts and support from my good friend Datuk Nils, my working team, our title sponsor PERODUA and other sponsors that have contributed immensely to this wonderful event.

This year we have over 500 participants including guest teams, from 39 countries and I've been made to understand that many teams had to be turned down as they missed the closing date. It's a good problem to have and I daresay we will see bigger participation in the coming years.

It is both a privilege and an honor as President of WAGC to ensure that this tournament retains its premier position in the global golfing calendar and I would like to

mention the late Sven Tumba, a visionary ahead of his time. He recognized the event's potential as a platform in bringing together amateur golfers from all over the world to experience and enjoy great courses such as Kelab Rahman Putra Malaysia, Glenmarie GCC, Kota Permai GCC and Kuala Lumpur GCC.

These four venues will blow your minds but I must warn participants not to underestimate the challenges ahead. The courses are in fantastic shape as their course superintendents have been meticulously preparing for this great championship final. I am super confident all of you will go home with fond memories not just of the golf, but the smooth operations that you will experience, thanks to the incredible support from the host clubs and the efforts of my team members.

Once again, terima kasih to all our wonderful partners especially PERODUA, the Ministry of Tourism, the four host clubs, the official hotel One World, the Press and everyone else not mentioned who have been involved in making this a truly global celebration of amateur golf.

I'm sure you will enjoy your stay here in Kuala Lumpur. Remember, it's not the winning or losing that counts. As per the objectives laid out by the late Sven Tumba, it's the participation, enjoyment and making of new friends that's most important.

Enjoy Kuala Lumpur and good luck to all. May the best team win.

Isac Saminathan

YBHG. DATO' HJ ZAINUDDIN ABDUL WAHAB

Director General, Tourism Malaysia

With year-round sunny weather and the availability of international-standard golf courses, Malaysia considers golfing as a niche tourism product with the potential to attract international tourist arrivals.

I remember when Malaysia was recognised as Asia's Best Golf Destination for two consecutive years in 2014 and 2015 by World Golf Association (WGA). The awards motivate us to strengthen our effort to promote Malaysia as a popular year-round golf destination. Indeed, we sincerely hope that more golfers from all over the world will discover the value and experience of golfing in Malaysia.

Malaysia hosted World Amateur Golfers Championship (WAGC) World Final for the third consecutive time from 2017 to 2019 in Kuala Lumpur and Johor Bahru, followed by Sabah - drawing some 400 golfers from 40 countries all over the world.

After an absence of two years due to the COVID-19 pandemic, we are thrilled to host this tournament once again at Malaysia's top golf courses around the Klang Valley, namely the Kuala Lumpur Golf and Country Club, Glenmarie Golf and Country Club, Kota Permai Golf and Country Club, and Kelab Rahman Putra Malaysia.

It is a great honour to be part of this prestigious and world's largest amateur golf championships, which have been held in the United States, Europe and South Africa. This significant championship certainly augurs well with our strategy to position Malaysia as an international golf destination.

I like to take this opportunity to specially thanked Delta World Sdn Bhd, the event promoter and management company for WAGC, which undertakes the overall operations of this WAGC World Final in Kuala Lumpur from 12-19 November 2022.

As we are welcoming a large number of 500 top amateur golfers this time around, I would say that our local golfing fraternity and tourism industry are ready to extend our hospitality to make your stay in Malaysia an unforgettable experience.

Director-General, Tourism Malaysia

Dear Golf Friends,

Once again, the World Amateur Golfers Championship (WAGC), together with the World Amateur Golfers Invitational (WAGI), will be held in Malaysia from 12-19 November 2022. The Sven Tumba creation turns 26 years of continued operation, excluding the 2 years disruption due to the global pandemic.

This year, the tournament returns to Kuala Lumpur where you will all stay at the One World Hotel and play at four premium and exclusive golf courses at the heart of the capital city. They are the Kuala Lumpur Golf & Country Club, Kota Permai Golf & Country Club, Glenmarie Golf & Country Club and Kelab Rahman Putra Malaysia. I hope you get to play your best golf ever and enjoy your game at the very least at these great courses.

Before the tournaments moves on next year, here is your one more chance to shine in Malaysia and do your country proud, either by winning the WAGC for your national team or individual effort.

But regardless of the championship results, all those who have displayed great sportsmanship are winners in the eyes of others and remember **"SPORT PROMOTES FRIENDSHIP AND BUSINESS"**.

And that is the very aim and essence of WAGC and WAGI. Let us meet up with friends from all corners of the world, enjoy the game and the camaraderie.

Celebrate life, have a good time and keep swinging!

IN MEMORIAM

Sven Tumba

OUR BELOVED
FOUNDER OF WAGC
AND GOLFING FRIEND

"Sport Promotes
Friendship and Business"

Sven Tumba (born Sven Olof Gunnar Johansson; 27 August 1931 - 1 October 2011) was one of the most prominent Swedish ice hockey players of the 1950s and 1960s. He also represented Sweden in football as well as golf.

Johansson first became known as "Tumba" in the 1950s since there were other players with the same last name, and he grew up in the Swedish town of Tumba. In October 1960 he married his wife Mona and five years later he, along with Mona, legally changed his family name to Tumba.

After his retirement from hockey, he became an accomplished golfer, a golf course designer as well as an ambassador to the game of golf, even officially introducing the game of golf to the former Soviet Union. He died on 1 October 2011 after being on the Danderyds sjukhus hospital for three months due to an infection in the hip. He was subsequently honored prior to the Elitserien games that were played that day, with a one-minute silence. His body was buried at the Engelbrekt church in Östermalm, Stockholm, on 20 October 2011. Approximately 500 friends and relatives arrived at the church to leave flowers and honour Sven Tumba.

Ice Hockey

Tumba played for the Swedish club Djurgårdens IF from 1950 to 1966, winning eight Swedish Championships and leading the league top goal scorer three years. He had a lengthy international career, playing for Sweden at 14 IIHF World Championships, four Winter Olympics, named best forward at the 1957 and 1962 World Championships and top scorer at the 1964 Winter Olympics. He also captained the national team. Djurgårdens has retired number 5 in his honor.

Tumba still holds the Swedish scoring record of 186 goals (in 245 games) for the Swedish national team.

In 1997 he was inducted into the IIHF Hall of Fame and was in 1999 awarded the "Best Swedish Ice-hockey Player of All Times", outvoting prominent players such as Peter Forsberg and Mats Sundin.

Tumba was the first European player to attend an NHL training camp, with the Boston Bruins in 1957. Friendships and business relationships that have been formed through his great vision to unite people through sport, regardless of language or cultural barriers, are testament to a legacy that is alive and prospering.

It remains our privilege and honour as golfers, to keep Sven's spirit alive through the World Amateur Golfers Championship.

Terms of Competition

Scoring - Rules & Format

11) HANDICAP DOCUMENTATION

All partners/ team managers/captains are to supply WAGC admin with a signed document listing their five championship players and their respective handicaps. This signed document must be countersigned by a representative of the home country amateur golf union. This document must be sent to WAGC admin (admin@worldgolfers.com) and copied to shoban@delta-world.com prior to competing.

IMPORTANT:

In countries where the handicap is expressed in decimal point, it will be rounded up (eg. 3.5 to 4) or rounded down (eg. 5.3 to 5) to the nearest whole number.

In countries where the handicap is based on the World Handicap System (WHS), the handicap index would be rounded up or down to the nearest whole number, which would then be the player's handicap.

The handicap so determined is applicable to all the 4 golf courses for the Championship and the Invitational, unless it is adjusted as per clause 13 below.

Players without complete handicap documentation would be required to start play at handicap 0 (zero).

12) HANDICAP GROUPS

The Championship is played in five handicap groups and the Invitational in six handicap groups, each played separately:

Championship	↓	↓	↓	↓	↓	↓
Invitational	↓	↓	↓	↓	↓	↓
Group	A	B	C	D	E	F
Handicaps	0 to 5	6 to 10	11 to 15	16 to 20	21 to 25	25 to 30*
*Applicable to Invitational tournament only. Handicap exceeding 30 will be capped at 30.						

All WAGC players compete in the handicap group they qualified into and most of them will play with their handicaps submitted in the entry form, with the following exceptions:

- Players entering the world final with higher handicaps than the group they qualified into will play with the highest handicap of their initial group.
- Players entering the world final with lower handicaps than the group they qualified into will play with their current handicaps, even though it is lower than their initial group.

NOTE : ALL PLAYERS SHALL REMAIN IN THE SAME GROUP THEY STARTED, IRRESPECTIVE OF ANY SUBSEQUENT HANDICAP ADJUSTMENT.

13) DAILY HANDICAP ADJUSTMENTS

There will be daily adjustments of the player's handicap (up or down) based on his or her nett score for the day. For example, if your handicap is 0 and your gross score on a par 72 course is between 77 to 79, your nett score would be between 77 to 79, then your handicap for the next round would be 1.

Another example, if your handicap is 5 and your gross score on a par 72 course is between 77 to 81, your nett score would be between 72 to 76, then your handicap for the next round would remain as 5.

The handicap adjustment would be based on the table below:

85	>	3	84	>	3	83	>	3
80	84	2	79	83	2	78	82	2
77	79	1	76	78	1	75	77	1
72	76	0	71	75	0	70	74	0
70	71	-1	69	70	-1	68	69	-1
67	69	-3	66	68	-3	65	67	-3
65	66	-4	64	65	-4	63	64	-4
63	64	-5	62	63	-5	61	62	-5
61	62	-6	60	61	-6	59	60	-6
59	60	-7	58	59	-7	57	58	-7
	Par 72			Par 71			Par 70	

14) MAXIMUM SCORE

The maximum score that a player can post on any hole during the tournament is par +4.

In other words, if you are four over par on any hole, you shall pick up the ball and write the **maximum score** as shown: Par 3 = 7 strokes, Par 4 = 8 strokes and Par 5 = 9 strokes.

In the event on players withdrawal during a round, a maximum score will be imposed on their remaining holes.

In the event on players disqualification, a maximum score will be imposed on all the holes for that round.

15) PRIZES

The team/player with the **lowest combined nett scores** over all the eligible rounds will be the Champion.

WAGC / WAGI team event	a) Champion	b) 1st runner-up	c) 2nd runner-up
